

CREATE & TAKE ADVANTAGE OF DIRECT ROUTING:

# Teams calling for Nonprofits in Australia

There are three components required to activate calling through Teams.

1. **Microsoft 365 and Microsoft Teams.**
2. **Phone System License (two components)**
  - a. Phone System License which is a requirement for Teams Calling.
  - b. Audio Conferencing for extended capabilities for connecting to a Teams Meeting with a landline number.
3. **Microsoft Calling Plan (exclusive to one Telco provider in Australia) OR you can achieve the same result through Direct Routing.**
